

## WESTREP CA

Serving Southern California for over 50 years

www.westrepca.com  
Tel: (714) 527-2822 Fax: (714) 527-3868

[www.akm.com](http://www.akm.com)

Mixed Signal Integrated Circuits for audio, video, networking & wireless communications. Full range of high quality audio DACs, ADCs, Codecs, SRC, S/PDIF, & Audio DSPs. Hall Effect I/Cs, current and infrared sensors and power management.

[www.ams.com](http://www.ams.com)

High-performance solutions for environmental, light, CMOS imaging & magnetic position sensors, smart light management, spectral sensing, flow sensing & sensor interfaces, power management and wireless connectivity.

**Spectrum Control Products** [www.apitech.com](http://www.apitech.com)

Custom applications, Advanced Ceramics, Custom Cable Assemblies, Specialty Connectors, Power Filters, Film Modules, Coaxial Filters & Interconnects.

**RF/Microwave** [www.apitech.com/microwave](http://www.apitech.com/microwave)

RF/microwave, millimeter wave subsystems, components for defense, space, wireless, & commercial applications. Product offerings include: AESA Radar modules, Integrated Microwave assemblies, RF components, microwave filters, frequency sources, low cost high volume SMT amplifiers, MIL-STD 1553 Data Bus, Space Grade Microelectronics, thin film, thick film and build to print manufacturing capabilities. Antennas & Assemblies.

**Power Solutions** [www.power.apitech.com](http://www.power.apitech.com)

Power strips, power distribution units, and circuit protection systems for both DC and AC power applications.

[www.gigadevice.com](http://www.gigadevice.com)

GigaDevice, the leading provider of Non-Volatile Memory (NVM) devices, is a fabless company engaged in advanced memory and related chip design in Mainland China established in 2005. GigaDevice provides a wide range of high speed and low power NOR Flash memory products. Since 2007, GigaDevice has been accredited by SGS ISO9001 and ISO14001.

[www.grayhill.com](http://www.grayhill.com)

Intuitive Human Interface Solutions; Mechanical & Optical Encoders; Joysticks; Keypads; Switches: Rotary, Pushbutton, Tact, Toggle, Rocker, Slide & DIP; PCAP Touch Screens; Multi Touch & Custom Interface Solutions.

[www.haloelectronics.com](http://www.haloelectronics.com)

Ethernet Transformers, FastJacks™ (Integrated RJ45s), 8P8C RJ45s, Telecom Transformers, Power Over Ethernet (PoE) Transformers, Isolation Transformers for DC/DC H-Bridge and Push/Pull Circuits, Digital Audio Transformers, Inductors, RF Transformers, Automotive Transformers for Infotainment and Battery Management Systems. [www.pro-tek5.com](http://www.pro-tek5.com) Ethernet Lightning Strike Protection Modules, Ethernet High Voltage Isolation Modules, PoE Mid-Span Injectors.

[www.koaspeer.com](http://www.koaspeer.com)

Leader in thick, thin film, and current sensing resistors. resistor arrays; thermal sensors, fuses & varistors; power and thin film inductors; ceramic capacitors; three-terminal & ferrite bead EMI/EMC filters; LTCC; and IPD

[www.monolithicpower.com](http://www.monolithicpower.com)

High-performance, integrated power solutions. DC-DC & AC-DC power conversion, Power Modules, Precision Analog, Class-D Audio, Motor Drivers & Position Sensors, Battery Management, E-Fuse & Load Switches.

[www.norcomp.net](http://www.norcomp.net)

Standard and custom I/O interconnect products. Marketing high reliability connectors under the brands SEAL-D, M-SERIES Circulars, QUIK-LOQ Push-Pull, MICRO-D, & ARMOR that are used in rugged applications including industrial, military and medical. IP66, IP67 & IP68 available.

[www.oupiin.com](http://www.oupiin.com)

Powerful connection technology is the basis for industrial production technology. Oupiins products combine systems with data, signal and power. These offerings enable solutions for the following markets: automation technology, energy, transportation, broadcasting, engineering, medical technology and infrastructure. High Power (up to 150amp), Power & Signal Edge Card, High Speed (SFP/SFP+, QSFP+), Board to Board, Wire to Board, FFC/FPC, Hard Metric, Future Bus+, DIN 41612, Terminal Blocks, D-Subs, USBs, Pin Headers, Storage Connectors, Custom Cable Assemblies.

[www.radianheatsinks.com](http://www.radianheatsinks.com)

Value-added thermal design solutions for the advanced micro-electronics & components industries.

[www.renatabatteries.us](http://www.renatabatteries.us)

(Renata Batteries, a subsidiary of The Swatch Group)  
Batteries in various voltages, technologies and form factors: Lithium (LiMnO<sub>2</sub>), Silver Oxide, Rechargeable (Li-Ion) and battery holders. Custom tabbing available.

**SANYO DENKI** [www.sanyo-denki.com](http://www.sanyo-denki.com)

AC & DC Fan, Blower, CPU Coolers, Long Life DC Fans, Thermal Control Fans, Environmental protected fans. Value- Added Services & Fan Accessories.

**Sy Kessler Sales – Batteries** [www.sykessler.com](http://www.sykessler.com)

**Renata, Panasonic, Sony**

OEM Industrial: Medical, Wearables, Security

Where performance, reliability, quality, engineering support and service are critical to the application.

[www.invensense.com](http://www.invensense.com)

Provider of MotionTracking™ sensor system on chip (SoC) & Sound solutions for consumer electronics such as smartphones, tablets, wearables, gaming, optical image stabilization & remote controls for Smart TVs.

[www.chemi-con.com](http://www.chemi-con.com)

Aluminum Electrolytic & Polymer, Multi-layer Ceramic & Film Capacitors, Metal Oxide Varistors.

[www.weidmuller.com](http://www.weidmuller.com)

Device connectivity expertise & solutions from board & device design to circuit board production & field installation. Wide application-based product line includes PCB terminals & connectors, panel feed-through terminal blocks & electronics housing for industrial applications (emphasis on signal processing & power electronics).
